

LA GRANGE PARK LIBRARY

PHOTOCOPY MACHINE USE

One of the Library's services to its patrons is use of the Library's photocopier machines.

The price per copy is 10 cents. Two-sided copying is 10 cents per side.

Reference materials may be copied free of charge to the patrons. Reference materials are defined as material marked "Reference". If there is a circulating copy available, the material is not considered reference. The maximum number of reference copies that can be made free of charge is 10 copies per visit.

In the event that an individual requests copies of any library-related material under the Freedom of Information Act, Library personnel or volunteers must make the copies and the patron will be charged \$1.00 per copy.
