

Downloadable Books Tips and Tricks

- ◆ Bookmark *mediaondemand.org*, or find the link on *lplibrary.org*.
- ◆ Have a **Nook, Kobo, or Sony Reader**? Download **Adobe Digital Editions** from *adobe.com/products/digitaleditions*.
- ◆ Have an **iPad/iPhone/iPod Touch, Android tablet/phone, Nook HD, or Kindle Fire**? Download the **Overdrive Media Console** app or the **Amazon Kindle** app from the App Store/Market.
- ◆ Start every visit by logging in. You'll need your library card number. **Your PIN is the same as your SWAN PIN.**
- ◆ Want to easily browse books available for your device? Click "Advanced Search" (or on certain touchscreen devices, "Search" and then "Advanced"). Change format to **Adobe EPUB eBook** for the **Nook, Kobo, Sony Reader**, and touchscreen devices using the **Overdrive Media Console** app. Change format to **Kindle eBook** for **Kindles** and touchscreen devices using the **Amazon Kindle** app. Select a subject, if desired, and check box labeled "Only show titles with copies available."
- ◆ Make sure your **Kindle** is connected to WiFi in order to receive downloaded book. Some titles may only be transferred via USB cable. Have an older, 3G-only Kindle? Follow the onscreen instructions to download book to your computer and transfer to device.
